PATIENT SERVICE GUIDELINES **Effective 1/1/2012**

Consent to Treatment: I voluntarily request and authorize CEI Medical Group (the “Clinic”) to render care, including diagnostic procedures and medical treatment, by its authorized agents and employees (collectively, “Clinic Personnel”). I acknowledge that no guarantees have been made as to the efficacy of such examination or treatment for my condition, or the condition of the person on whose behalf I am legally authorized to consent to (collectively, the “Patient”). I understand that I have the right to make decisions concerning the Patient’s health care, including the right to authorize or refuse medical and surgical procedures.

Release of Information: By signing this document, the Patient is authorizing release of the Patient’s medical records under the following circumstances: Please also note that per California Law there will be a fee to provide you with a copy of your medical records.

1. To any health, sickness, and accident insurance carrier, workman’s compensation insurers, or any governmental agency which is legally responsible, or which the Clinic have good cause to believe is legally responsible for all or any part of the Clinic charges and/or professional fees;
2. To physicians or health care facilities rendering professional care to the Patient;
3. To any governmental organization responsible for reviewing medical care;
4. To Clinic Personnel, from physicians or health care facilities rendering professional care to the Patient; or
5. To Global Hearing, Inc., to physicians and/or audiologists rendering professional care to the Patient related to care rendered by Clinic Personnel.

Prior Authorization for Visits to the Clinics: Patients are responsible for any and all visits to a primary care physician necessary to obtain pre-authorizations for the Patient’s regular office visits to the Clinic and associated testing. If the Patient fails to obtain the appropriate authorization and does not cancel the appointment with at least one business day notice, they will be liable for the missed appointment fee as defined above. If the Patient chooses to proceed with the appointment without the authorization, the unauthorized appointment will be treated as cash pay only, and any insurance payment will go to the Patient.

Cancellation/Missed Appointment Policy: All patients who fail to arrive for their scheduled appointments or who cancel with less than one business day advance notice will be charged a missed appointment fee. This fee applies to all patients, regardless of their insurance status or insurer. Reminder phone calls are a courtesy, and the lack of receipt of a reminder call is not a valid excuse for missed appointments. Missed appointment fees are not covered by insurance, and will be the Patient's personal responsibility to pay. Missed appointment fees are as follows:

New Patient Medical Visit	\$75
All other visits (return medical visit)	\$50

Payment Guarantee: Patients agree to be responsible to the Clinic for all charges resulting from services rendered at their prevailing rates. Patients agree all bills are due in full upon demand. Should Patients fail to honor this agreement, they agree to pay any collection costs or attorney fees resulting from the collection of their accounts. Patients authorize the use of all information provided to the Clinic in the Patient Registration Form for collection purposes. No granting of extensions or delays on the part of the Clinic in enforcing any of their rights shall in any manner release the undersigned liability. Bad checks will be collected pursuant to California Civil Code § 1719 which allows for up to treble damages.

Insurer Billing: The California Ear Institute, California Sinus Institute, and California Craniofacial Institute will bill a primary and a single secondary insurer. Payment responsibility will be transferred to the Patient or Patient's guarantor 90 days after the date of service, regardless of the status of the insurance payment. The California Face and Laser Institute do not contract with any insurers. Payment for the California Face and Laser Institute services is expected the date the service is rendered, and the Patient's primary insurer only will be billed as a courtesy, if applicable.

Insurer Denials: I agree that I will be financially responsible for any services provided to the Patient that any insurer determines to be denied or non-covered for any reason. I consent to Clinic Personnel acting on the Patient's behalf in pursuing any appeals necessary to obtain payment for services where payment is being denied by the insurer. I acknowledge that if Clinic Personnel voluntarily undertake this insurance advocacy on the Patient's behalf that such activities do not constitute legal representation, and that the Patient may retain outside counsel at their own expense to concurrently participate. For Medicare patients, the terms of a valid and fully executed Advanced Benefit Notice will supersede this paragraph.

Assignment of Benefits: I hereby assign all rights and privileges and authorize payment directly to CEI Medical Group for any claim filed on the Patient's behalf. I agree this assignment is primary to any assignment given after this date including any cost relative to attorney fees. I also understand that I am financially responsible to the Clinic for charges not covered by this assignment or not paid on a timely basis by the insurance company. Because the California Face and Laser Institute is not contracted with any insurers and require cash payment at the time of service, any amounts paid by the insurer should go directly to the Patient.

Assistant Surgeon: For the Patient's benefit, Clinic Personnel may elect to have an assistant surgeon present at the time of surgery. The assistant surgeon may be a physician, physician's assistant, or nurse practitioner. The usual fee for the assistant surgeon is 25 % of the surgeon's fee. Some insurance carriers do not provide benefits for assistant surgeons. If the patient's insurer denies coverage, the fee will be reduced to \$250, but it will be immediately due and payable in full.

Arbitration: Any dispute, claim or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, other than the collection of an amount due on a returned check, including the determination of the scope or applicability of this agreement to arbitrate, shall be determined by arbitration in Palo Alto, CA, before an arbitrator. The arbitration shall be administered by the American Arbitration Association (AAA) pursuant to the AAA's Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. I cede any and all rights, title, and interest in the digital resources to which I may be entitled by law to CEI Medical Group, and agree to make no claim for compensation for the uses of my image in the production, distribution, marketing, and/or other activities related to the digital resources.

I understand that if my physician requests that I have a CT scan completed, I may chose to utilize this equipment, or I have the option to choose a different facility to have the CT scan completed. Additionally, I may also be responsible for signing a medical records release for obtaining the CT records for my CEI physician to review and I am solely responsible for paying any fees associated with that records release.
